OBJECTIVE

Motivated and collaborative code school graduate seeking to leverage nonprofit organizational experience and graphic design skills into a junior web developer position.

EDUCATION

Epicodus   Portland, Oregon
Certificate in Web and Mobile Development
2016

The University of Texas at Austin   Austin, Texas
Bachelor of Journalism (copyediting and design concentration)
2007 – 2010

WORK & INTERNSHIP EXPERIENCE

Event Coordinator, Feral Cat Coalition of Oregon   Portland, Oregon
2012 – 2016
Organized fundraising and educational outreach events; promoted events through social media, PR and marketing campaigns; recruited, interviewed and welcomed new volunteers; and managed donor/volunteer records.

Newspaper Designer/Copyeditor, Beaumont Enterprise   Beaumont, Texas
2011 – 2012
Budgeted and designed the news, sports and entertainment sections; managed story workflow from editing stage to final print; and wrote story headlines.

Custom Publishing Intern, Texas Monthly   Austin, Texas
2010
Wrote and proofread stories for promotional materials, managed links for online publications and researched calendar information for advertising supplements.

PROJECTS

Fundraising Auction Procurement Tracker
https://github.com/ohinton/auction-tracker
A Ruby on Rails web app to assist fundraising auction coordinators with tracking in-kind auction donations and communicate goals with their volunteer team.

Candlelight Restaurant & Bar
candlelightportland.com
An Ember.js web app for a Portland business that displays menu information utilizing a Firebase database, location details through the Google Maps API and SASS/Bootstrap for the front-end design.
